## 2020 Our Mum's Love Eden Valley Rosé

We wouldn't have made it through the fist fights when we were growing up without our mum's love. She's been the voice of reason our entire lives and as such we wanted to dedicate this wine to her.

### Wine Description

This elegant Rosé is made from Eden Valley Tempranillo and Grenache grapes. Pale pink in colour this wine shows delicate citrus notes and rose petals, with a dry mineral finish. Mum loves it!

### Winemaking

This small parcel of Eden Valley Rosé was pressed directly off skins within three hours of harvesting to achieve our desired colour before cold-settling for 48 hours. Fermenting at cool temperatures with a small number of solids, allows us to create this textural perfumed wine. This wine was fermented dry, then filtered and bottled early to reserves its freshness.

### Vineyard

This rosé comes from Tempranillo and Grenache grapes grown in the Eden Valley region with an elevation of over 400 metres.
